

Hi! I am Dr. Nina Gardner, founder of the School of Davidic Worship.

I am, and have always been, a passionate worshiper of our Lord God Almighty. I want to teach you what I know so you can experience this life-giving pattern of worship that existed in heaven before the earth began – and that will be in existence after the earth is gone. As your instructor, I will impart to you the keys I've obtained of unlocking the heart of God in passionate worship. Follow me and glean from what I have learned.

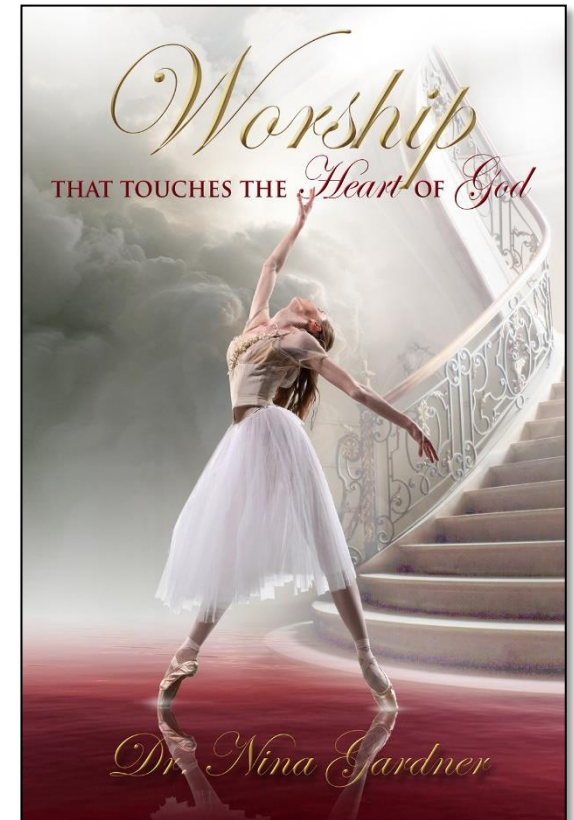

*Davidic Worship is...*

Ascending in worship in ministry to God until experiencing a personal encounter with Him.

Presenting  
School of  
Davidic Worship

## Focus of Davidic Worship is twofold:

- ❖ It focuses on us as priests that enable us to fulfill our call of ministry directly to God.
- ❖ It focuses on an eternal pattern that exists in the heavens, replicated through Moses in physical form, but designed through David as a pattern of worship from the heart.

## How we plan to enlighten and enable you for a personal heart-to-heart encounter with God:

- ❖ By giving you the keys of how to minister to God as a priest
- ❖ By studying the persons of Father God, Jesus, and the Holy Spirit
- ❖ By learning how to worship in the Spirit of Truth (since that is who the Father seeks)
- ❖ By discovering the desires of God's heart
- ❖ By developing an ongoing personal relationship with Father God, Jesus, and the Holy Spirit
- ❖ By defining your worship position and how to flow in where you fit
- ❖ By bringing an understanding of the love of the Father
- ❖ By defining the differences between the levels of thanksgiving, praise, and worship, prophetic worship, and celebration worship
- ❖ And by undergirding you in personal growth as this pattern of worship develops in you

## The Goal and Vision:

- ❖ Our ultimate goal is to create in you a passionate worship for ministering to the Only Living God
- ❖ Achieving this goal will impart a fresh approach in your worship both inwardly and outwardly, privately and collectively
- ❖ You can expect to obtain a new impartation of the life-giving substance from God making you feel more *alive* than ever before
- ❖ As a passionate worshiper who learns to minister to God, you will see a greater measure of His presence in your life, God will move on your behalf in multiple ways as He did for David
- ❖ Your passionate worship gets God's attention, so expect to see more healings, miracles, deliverances, and wonders – in your worship, strongholds are broken

As His priest, you are called to minister to God. Come learn of Him, His ways, His heart, His thoughts, and what He desires of you. Allow us to help you experience those passionate encounters with God.
